### Langkah 5

1. Search Type atau jenis pencarian. Klik samada **Word** (Leftstring), **Phrase** (Pattern) atau **Exact Match** (Boolean).
2. Access Point. Klik samada **Article Title** (Tajuk Kertas Soalan), **Name** (Fakulti), **Publication** Universiti), **Source**, atau **Descriptor** (Kod Kertas Soalan)
3. Taip tajuk/kata kunci yang dikehendaki di alam kekotak teks (contoh: Patologi)
4. Tekan 'Search'

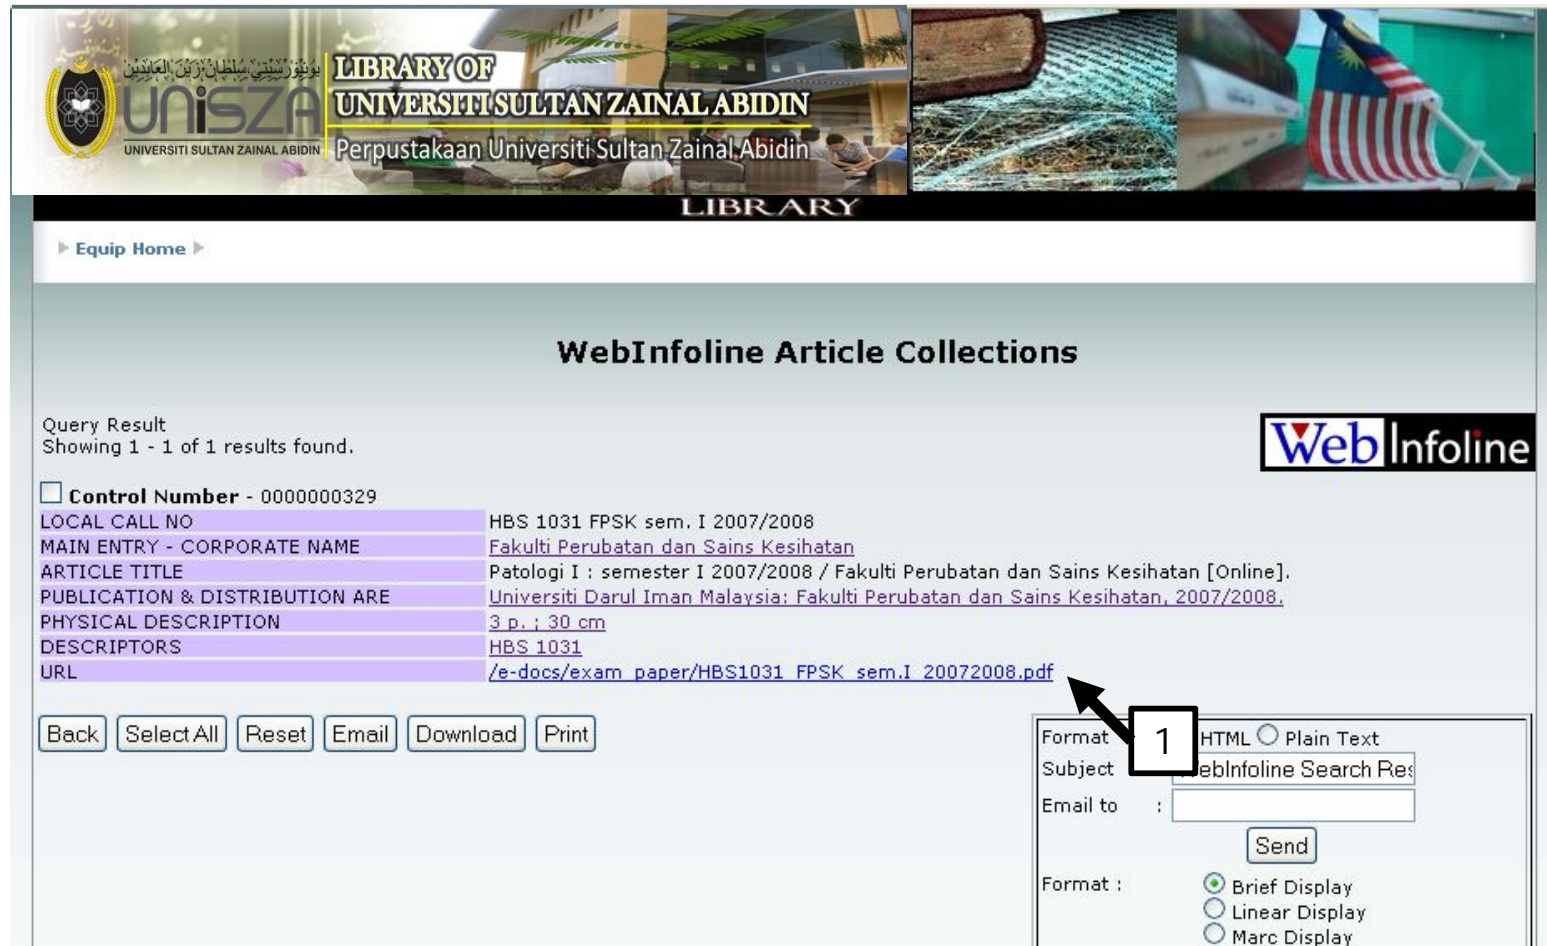

The screenshot shows the 'WebInfoline UDM Search' interface. At the top, there is a banner for the 'LIBRARY OF UNIVERSITI SULTAN ZAINAL ABIDIN' with the text 'Perpustakaan Universiti Sultan Zainal Abidin'. Below the banner, there is a navigation bar with 'Equip Home' and the 'WebInfoline' logo. The main content area is titled 'WebInfoline UDM Search' and contains a search form. The form has two columns: 'BASIC SEARCH [ Guided Search ]' and 'Steps to Search'. The 'BASIC SEARCH' column has the following fields: 'Search Type' (radio buttons for Word List, Phrase, Exact Match), 'Access Point' (radio buttons for Article Title, Name/Author, Publication, Source, Descriptor), 'Results per Page' (a dropdown menu set to 50), and 'Search Text' (a text input field containing 'anatomi'). A 'Search' button is located below the 'Search Text' field. The 'Steps to Search' column provides instructions for each field. Annotations 1, 2, 3, and 4 are placed on the interface: 1 points to the 'Search Type' field, 2 points to the 'Access Point' field, 3 points to the 'Search Text' input field, and 4 points to the 'Search' button. The footer contains copyright information: 'Copyright © 2008 Per... an Universiti Darul Iman Malaysia | All Rights Reserved' and 'Design by Unit Teknologi Maklumat & Multimedia Perpustakaan | Best viewed 1280 x 800 | Powered by CSS 2.0/.JS'.
